

*Halloween is coming, ghosts are on the run,  
You've been boo'd for some Halloween fun!*

*Spreading Halloween spirit through our neighborhood  
Is easy to do once you've understood.*

*Don't hide in your house or in a dead person's casket,  
Just copy this letter and fill a boo basket!*

*Then deliver your treats to a house near you  
But don't let them see you, it's a secret 'Boo'!*

*Print out a sign that says "We've Been Boo'd!"  
And hang it out front so your neighbors are clued.*

*You've already been part of this year's Halloween fun,  
You've shared a boo basket, your work here is done.*

*Then watch as the signs appear on your street,  
You've spread Halloween spirit, now isn't that neat?!*

**HAPPY HALLOWEEN!**
